

**NATIVE AMERICAN  
CULTURAL CENTER  
COLORADO STATE UNIVERSITY**

On behalf of the staff in the Native American Cultural Center, we first want to say that you are all in our thoughts, and we hope you are finding ways to take care of yourselves, your families, and your communities. We know this has been a hard transition with communication changing daily, and it may feel very isolating. However, we wanted to extend to you all that as an office and Native community, we are still here for you and hope to continue supporting you during this time.

Although the NACC office (LSC 327) is physically closed, we remain open virtually. Right now, the professional staff can be reached via email (see below). We will also be responding via our social media accounts:

Instagram (new!): @NACC.CSU

Webpage Chat Feature on homepage (new!): <https://nacc.colostate.edu/>

The mission of our office is to ensure a successful educational experience for students by providing support and services related to recruitment, retention, graduation, and community outreach. The office embraces and encourages a supportive environment based on the traditions and cultures of Native American peoples. While the logistics of this support may change as we move to a virtual campus experience, we are deeply committed to finding ways to continue to support you and your experience. We are also looking into virtual options for community & engagement such as virtual meet ups, etc. Feel free to let us know your ideas! As we all continue to figure out what this means, and as things change, we promise to keep folks updated. Here are some specifics related to our programming:

- North Star Peer Mentoring: For the new and incoming students from Fall 2019 and Spring 2020, your peer mentor will continue to reach out to you. Unfortunately, there will not be an option for in person meetings, but the mentors will continue to reach out via email and phone to check in and see how you're doing. As a program, we will be thinking creatively how to still engage programmatically with you and help keep you engaged with the office. If you have ideas or suggestions, please email Tiffani!
- Eagle Feather Tutoring: NACC tutoring has successfully transitioned to an online service. Visit our [website](#) to see instructions and the revised tutoring schedule for the remainder of the spring semester. Please be aware of other resources being provided for the new learning environment such as TILT's [Keep Learning](#).
- Native Women's Circle: Women's Circle in person meetings will be cancelled for the remainder of the semester. However, we will be meeting virtually on Tuesday 4/7 from 4:30-6pm through the end of April. We will send an email with information to join the Zoom meetings, but if you would like to be added, please email Tiffani.
